

# Rethink Education SEL Learning Guide

2022-2023 School Year

## Rethink Ed Social and Emotional Learning Independent Study Information

### Course Duration

Self-Paced

### Email

[support@rethinked.com](mailto:support@rethinked.com)

### Website

[www.rethinked.com](http://www.rethinked.com) or district portal

## General Information

### Description

This independent learning course is intended to support you in getting started with your Rethink Ed account, and build fluency in navigating to key areas, tools and resources that you will need during your day-to-day instruction and intervention with your students.

### Expectations and Goals

There will be 13 units in this course that include learning materials and practice activities to build your fluency. Course participants are expected to view all videos in the course sequence. Videos are approximate 3-7 minutes long, with follow-up reflections and questions. Course participants should complete all courses within a reasonable amount of time to effectively implement the program.

Units will include:

- SEL- what is it and why is it important?
- Logging in and updating your profile
- How to Assign your students
- My Training- SEL
- Lesson Library- SEL
- Assign SEL Content
- Student Center- Student View
- SEL Quizzes
- Manage Assignments
- Assign SEL Assessments
- View Self-Assessment Scores and Group Score Report
- SEL Classroom Rating Scale
- Classroom Rating Scale Completed Scale

## Course Materials

### Required Access

To begin, you will need access to your Rethink Ed account. If you do not have access, or if you have questions about obtaining access, please see your district leader or designated Rethink representative. You can also email [support@www.rethinked.com](mailto:support@www.rethinked.com)

### Optional Supports

If at any time you wish to learn more about Rethink Ed's SEL platform, or if you require clarification on any of the unit materials, you can sign up for a 1:1 virtual coaching session with your designated Rethink Ed representative. Contact your district Rethink leader for additional information.

### Optional Resources and Materials

Your district's Rethink package may include additional resources such as curriculum scope and sequences, course alignments, implementation timelines, and other supports. Please see your district leaders if there are questions about additional information and resources.

**Course Video:** [CLICK HERE](#)

In this video, you will learn how to assign SEL content from the Lesson Library.

DO

- Find a lesson and click on the action button
  - Assign a lesson to a student and a group of students
  - Assign a Learn Video
  - Assign Quiz
  - Assign a practice or dive deeper

## Unit 8: Student Center

**Course Video:** [CLICK HERE](#)

In this video, you will learn what your students see when they log into Rethink Ed

DO

- Click on the Gold Star  
Or
- Select your student > Student Center
- Explore the 3 Tabs

## Unit 9: SEL Quizzes and Quiz Scores

**Course Video:** [CLICK HERE](#)

In this video, you will learn how to view quiz scores.

DO

- Choose a classroom Name
- Choose a quiz to view
- View More to see individual quizzes
- View the student break down of each quiz

## Unit 10: Managing Assignments

**Course Video:** [CLICK HERE](#)

Watch

In this video, you will learn how to view assigned assignments: quizzes, practice, and/or dive deeper, and manage the inbox messages.

DO

- Set a date range and view assignments

- Explore the various hyperlinks
- Export or print results

## Unit 11: Assigning SEL Student Self-Assessments

**Course Video:** [CLICK HERE](#)

In this video, you will learn about assigning the SEL Student Self-Assessment to students.

DO

- Assign assessment to a student or group of students

## Unit 12: Completing SEL Student Self-Assessments

**Course Video:** [CLICK HERE](#)

In this video, you will understand how to complete the SEL student self-assessment via the student activity support.

DO:

- Facilitate the completion of the SEL Student Self-Assessment by students

## Unit 13: Student Self-Assessment Individual Scores

**Course Video:** [CLICK HERE](#)

In this video, you will understand how individual assessment results can support personalizing student needs and ongoing instruction and support.

DO

- Explore how the report aligns with student lessons
- User filter arrows to change the report
- Explore hyperlinks in report

## Unit 14: Student Self-Assessment Group Scores

**Course Video:** [CLICK HERE](#)

In this video, you will understand how group assessment results can support personalizing student needs and ongoing instruction and support.

DO

- Explore the 3 types of classroom reports

## Unit 15: Completing Classroom Rating Scales

**Course Video:** [CLICK HERE](#)
