

NOVEMBER SEL NEWSLETTER

CELEBRATIONS

SEL implementation is well underway! Congratulations to Edwin Markham Middle School for using RethinkEd's lesson videos with students and for reaching 65% students completing the SEL Self-Assessment! Congratulations to Gompers MS for beginning daily SEL lessons and walkthroughs!

REMINDERS

Please view the 8-minute Pocket PD 2 to gain a comprehensive understanding how RethinkEd supports LAUSD's SEL goals this year.

SEL SELF-ASSESSMENTS

SEL Self-Assessments provide educators with a prioritized SEL roadmap for every student, classroom, and grade.

The Self-Assessment takes 20 minutes to finish, comes in English and Spanish, and includes a read-aloud function.

Once complete, staff have a clear answer to the question "How can I help this student?" because the students' self reports illuminate which SEL skills need the most instruction.
