

OCTOBER SEL NEWSLETTER

CELEBRATIONS

Collaboration with school site staff has begun! 42nd Street Elementary is providing 30 minutes of push-in SEL lessons to 13 classrooms every week. They are also using the SEL lessons for pull-out sessions with students receiving Tier 2 & 3 services. Congratulations, Ms. LeBron and 42nd Street!

REMINDERS

Please connect us with your teams who support culture and climate. We love to brainstorm implementation tactics with Restorative Justice Teachers, counselors, School Climate Advocates, and Systems of Support Advocates.
