

FEBRUARY SEL NEWSLETTER

FEBRUARY SEL TIPS & TRICKS

You can provide opportunities for students to exercise their self-advocacy and self-efficacy skills by offering students choice in activities and assignments, as well as engaging in community circles. Check out our [Community Circles](#) guide.

Examples for Student Choice

- Choose one practice problem to skip. (*This has the added bonus of allowing you to see which problems the students thought were most challenging.*)
- Deliver their report in writing, orally, or through a multimedia presentation.
- Choose where to sit or stand.

TOPIC OF THE MONTH

This month, the Self-Advocacy & Self-Efficacy Student Lesson Scope and Sequences go live! Find it on the [landing_page](#). Our **Family Workshop will be on Conflict Resolution this month**. Join us as we learn about conflict resolution and how respect influences it. Families will also have the opportunity to preview a lesson that focuses on the four strategies that children and adults can use to resolve conflict.

Be sure to share the Family Workshop flyers when we send them out later this month!
