

JUNE SEL NEWSLETTER

REFLECTION

Congratulations on successfully finishing another school year! As you wrap up the year, it's important to SEL-ebrate your successes. We hope that you found the tools from RethinkEd supported a connection between you and your students.

Please take a moment to complete an anonymous **2-minute survey** to share reflections on the curriculum, platform, and support you received this school year.

We will take this and improve our practices for the 24-25 school year.

**Have questions?
Check out our Office Hours
Schedule here!**

[OFFICE HOURS SCHEDULE](#)

CELEBRATIONS

Congratulations to the following Middle Schools for hosting a Viewing Party for parents to access and learn about Cyber Safety in May! Armstrong, Bancroft, Bret Harte Prep, Carver, Cochran, Gage, Gompers, King Drew, Maclay, Mann UCLA, Markham, Muir MS, Obama Prep Academy, Pio Pico, Sepulveda, and Van Nuys!

SPRING SELF ASSESSMENTS

Please have students complete the [Spring Self-Assessment](#) or complete the [Classroom Rating Scale](#). This provides valuable information to you about your students' progress and the impact SEL has on their lives. You can also reflect on your own growth using the [Adult Self Assessment!](#)

TOPIC OF THE MONTH

This month, students will focus on [Growth Mindset!](#) Students learn that a fixed mindset is the belief that skills and abilities are set in stone; whereas a growth mindset is the belief that skills and abilities can change and grow. When students understand how they learn and how they can develop a growth mindset, they are more likely to achieve their goals.
